

Two dates for NCAA Basketball tournaments and the Twins home season are listed below. For those of you who are interested in working at the Metrodome, please contact me to sign up for work dates. For more information about what this fundraising involves, go to the Fundraising page at St. Cloud All City's web page.

Remember that you can cancel working a shift at the Metrodome 3 days before the report time for a game, but if you cancel later than that you will need to find a replacement worker or be charged \$20 for missing the workshift.

For those of you who are new to this fundraiser, I will be happy to give you the information you need to get started.

For those of you who have worked at the Metrodome in the past, the rules are mostly the same. The exception is that the Metrodome now requires that if we do not provide stand managers, we must have 2 workers stay in the foodstand until the money and inventory is balanced. If we do not do this, the group is charged \$100, which means that everyone makes less money that day.
